

MSTA Health, Safety, Security and Environment (HSSE) Policy

Our Belief

MSTA managers and staff believe that healthy, safe, secure and environmentally sustainable work is essential for the wellbeing of our fellow employees and their families, our customers, visitors and all other stakeholders who encounter Company's Shipping, Logistics and Trading services.

We believe that HSSE-related incidents can be prevented and impacts reduced through an effective HSSE Management System.

The quality of our attitudes, actions, written documents and equipment reflects the level of our commitment to HSSE in the organisation.

Our Commitment

We are committed to achieving an effective HSSE Management System by:

- Establishing HSSE Management Systems
- Complying with MSTAs HSSE Management System and all regulatory HSSE requirements
- Providing employees, customers, visitors and other stakeholders with necessary HSSE information, instructions and training
- Providing and maintaining a safe, secure, and healthy working environment
- Encouraging a preventative action culture
- Establishing measurable objectives and targets for periodic review
- Actively encouraging feedback for continuous improvement
- Reporting HSSE issues and near-miss incidents
- Reporting HSSE performance to Senior Management
- Reviewing MSTAs HSSE Management System at planned intervals

Our Spirit

“Our goals are simple - no harm to people, no accidents, no security breaches, and no damage to the environment. Every employee at MSTAs is committed to getting HSSE right, the first time, every time.”
